- Travel

# RAVICHANDRAN SELVAM

LOOKING FOR A 6-MONTH INTERNSHIP IN DATA SCIENCE  
• MACHINE LEARNING • ARTIFICIAL INTELLIGENCE (AI)

## PROFILE

Final-year student at DSTI School of Engineering (Paris), specializing in Data Science and Artificial Intelligence, I am looking for a 6-month internship to apply my skills in Python, Flask, and machine learning in a professional environment. I have developed these skills through several academic projects. Motivated, I am eager to continue improving while contributing to real-world projects.

## PROFESSIONAL EXPERIENCE

### JAVA DEVELOPER INTERN

MAY 2023 – JUNE2023

#### FutoGen Computer Education – Salem, Tamil Nadu, India

- Development and testing of Java applications by applying object-oriented programming (OOP) principles and data structures.
- Design and optimization of backend components to improve application performance and reliability.
- Practical use of key technologies such as the Java Collections Framework, JDBC, and exception handling.
- Participation in the development of a banking application within the project team (design, implementation, and testing).

## PROJECTS

### BOOK RATING PREDICTOR

JUNE 2025 – AUGUST 2025

- Developed an end-to-end ML application to predict book ratings using KNN (accuracy: 0.99).
- Built a Python/Flask REST API and React interface for real-time predictions and CSV uploads.
- Deployed the application using Render and Vercel, applying data cleaning, ML modeling, and cloud deployment.

### FOOTBALL PLAYER DATA ANALYSIS – FIFA WORLD CUP 2026

AUGUST 2026

#### Python, Pandas, NumPy, Matplotlib, Seaborn

- Performed Exploratory Data Analysis (EDA) and data cleaning on football player statistics.
- Analyzed goals, assists, age, and playing time by team and position using Pandas.
- Created visualizations and correlation analysis, identifying a positive correlation of 0.34 between goals and minutes played.

## EDUCATION

### DSTI SCHOOL OF ENGINEERING – PARIS

MARCH 2025 – MARCH 2027

- Applied Master of Science in Data Science and Artificial Intelligence

### KARPAGAM COLLEGE OF ENGINEERING – COIMBATORE

JULY 2019 – AUGUST2023

- B.Tech in Information Technology
- GPA: 8.3 / 10
